## United States Coast Guard

### Electricians Mate Third Class Henry J. Rizo

You have been selected as Coast Guard ANT New York's Sailor of the Quarter for the period of 01 October 2008 thru 31 December 2008.

During this period you exemplified initiative, integrity, and assertiveness while assigned to ANT New York's Lighthouse and Structures Department. To start the quarter, you showed great dedication to the unit by participating, during normal liberty hours, in the tour of Staten Island Light and Coney Island Light for the New Jersey Lighthouse Society. You educated the many people that were on that trip on the history of those lights and assisted in the organization to make it a successful and enjoyable event for everyone involved. As one of the unit's Morale Petty Officers you have helped to contribute over \$1000.00 to the unit's morale fund through recycling efforts, helped organize and execute the units' Holiday Party, and assisted the Navy League with the pick up and distribution of Turkeys to all Bayonne Personnel for the Thanksgiving Holiday. Your hard work and dedication to duty did not let up as you worked with CGC Sturgeon Bay in the refurbishment of Romer Shoal Light. This project took several weeks to prepare for and several days to actually complete. It entailed painting, welding, and electrical work – all of which you assisted in. Most notably, and in addition to your daily work efforts, you have shown your dedication by working with new members, making them feel welcome, helping them with their qualifications, and reviewing the expectations of them as members of ANT New York. Throughout this quarter you set a great example as a junior Petty Officer and an Electricians Mate. Your positive attitude, hard work and high standard of work ethic has rubbed off on your shipmates and has been vital in sustaining a high degree of morale. You are a superb role model for all members of ANT New York.

Your professionalism, enthusiasm and expertise are highly commendable and reflect the Coast Guard's core values of Honor, Respect, and Devotion to Duty. On behalf of the crew at ANT New York, I extend to you my sincere appreciation for a job very well done. Bravo Zulu.
